

## **BORDER**

In March 2011, Japan had a big disaster, the Great East Japan Earthquake. More than 20 thousand people's lives were taken by the quake and the tsunami. When I visited the stricken area, I saw a lot of people were praying toward the sea. I was inspired by the scene, and since. At that time I decided to start the photographic project 'BORDER' as a dedication to those prayers.

(Fresco Type Print)

- Print size A2 (42.0x59.4mm) Mat size 24x30inch (61.0x76.2mm) edition 10
- Print size A3+(32.9x48.3mm) Mat size 20x24inch (50.8x61.0mm) edition 15
