

Coexisting Structure 2021 | Kazuhiro Sasaki

The scenery created by nature is beautiful. The structures created by humankind for the purpose are also beautiful.

I also find the landscape of nature and structures that have been created over a long period of time to be beautiful.

In the future, I will focus on how those beautiful human-made structures coexist with us.

Coexisting Structure 2021 | 佐々木 一弘

自然が作り出す景色は美しい。人類が目的をもって作り出した構造物も美しい。

私は長い時間をかけて作られた自然と構造物が重なり合った風景も美しいと感じている。

私は、その2つが共存し作り上げていく新しい風景を見つめていきたいと思っている。
